

Dear Junior Player,

For the 4th year running Down the Line Sports Coaching & Camps is hosting the UK series of Sanchez-Casal Academy workshops. Having visited the North (Manchester, Sheffield and York) in April we are now looking forward to the Southern series of workshops. These will be run by Sergio Casal (former world No.3 Doubles player, Grand Slam winner and former long time coach of Svetlana Kuznetsova amongst others) and helped by a team of his top Academy coaches using orange, green and full balls.

This is a great opportunity to spend 3 hours on court with Sergio Casal (and his team of coaches) to learn the Sanchez-Casal Academy drills and training exercises which have been taught to many of today's top ATP/WTB professionals, including Andy Murray who grew up under the watchful eye of Sergio at The Sanchez-Casal Academy.

Some of you may not have had the chance yet to access the world famous Sanchez-Casal Academy whereas some of you may have been out to Barcelona or done UK workshops in the past. Either way it's a great chance to learn, refresh and come away with even more knowledge, desire and motivation!
