

## Safeguarding Information:

### What is Regulated Activity in tennis?

**Regulated Activity with Children and Young People is any unsupervised contact that falls into one of the three categories below:**

1. Work of a specified nature: **coaching, training, supervising, giving advice or transportation**. This must occur **frequently** (once a week for an on-going period), **intensively** (four or more occasions in any 30 day period), any **overnight** stay or **ad-hoc** (11 days or more occasions for any 12 month period).
2. Any type of work undertaken in **schools, academies, nurseries or children's centres** (but not work by supervised volunteers). This must occur **frequently** (once a week for an on-going period), **intensively** (four or more occasions in any 30 day period), any **overnight** stay or **ad-hoc** (11 days or more occasions for any 12 month period). It must also provide the opportunity for contact with children and young people.
3. Any form of **personal care or health care**, even if done once.

**Regulated Activity with Adults at Risk involves specific types of activity with the adult that occurs on one or more occasions and falls into one of the three categories below:**

1. Work of a specified nature: any **training, instruction, advice or guidance in relation to personal care, or healthcare professions, social care professions or personal care**.
2. **Assistance with personal matters** or finances such as paying bills.
3. **Transport** of an adult due to their **age, illness or disability** between their place of residence and a place where they have or will receive health care, personal care or social care.

If you are not sure whether someone at your tennis venue is working in Regulated Activity, please refer to the flowchart "[I am working with children; do I need a DBS check?](#)"
