Despite the miserable end to the winter season, the match completion rate for all leagues was 80% - a really positive achievement. Three divisions completed all matches and several were only one or two matches short.

Congratulations to all teams for your dedication. Hopefully we can carry on the enthusiasm into the Aegon Team Tennis Season!

Many thanks to the team captains who have worked extremely hard to make this winters leagues the most successful so far. It is quite a challenge to run a team we appreciate your effort.
